past chair, American Medical Group Association

**A grassroots physician perspective of ACO transition**

Philip F. Gaziano, MD  
Geriatrician; CEO, Accountable Care Associates,  
Springfield, Mass.

**Panel discussion/Q & A**

Moderator: Nancy Nielsen, MD, PhD

**At the conclusion of this activity participants will be able to:**

1. Summarize who physicians are accountable to and for what under ACOs while being accountable to the patient.
2. Explain the nuances in the conflicts of interest faced by physicians in ACOs and in managing them ethically.
3. Review the practical challenges in transitioning to an effective ACO and influencing data management for performance improvement as well as ethical solutions recognizing that “one size doesn’t fit all.”

Program presented in conjunction with the Interim Meeting of the AMA House of Delegates and is open to all AMA meeting attendees. Visit [www.osmapandtheforum.org](http://www.osmapandtheforum.org) for more information.

The American Medical Association designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
